Good afternoon,

We have an operator who will open at least three of the four kiosks this weekend. (If possible, he may also open the fourth kiosk.) His name is Sean Giang and his cell phone number is 626-888-0034.

This is a family owned business. They will be selling hats, sunglasses, jewelry, toys and other souvenirs.

Please let me know if there is anything else you need.

Best regards,

Lorena Parker

Augie,

Thank you…. Once you have the specifics of who the vendors are, days/hours of operations with contact information and a site plan of their locations please forward it to us for dissemination.

Subject: Red Carts are being rented

Hi Jose,

I hope all is well and I'm just giving you a heads-up. The red carts (see attached) that sat around our fountain area along Harbor Blvd have been moved and will be rented out most likely this week. One of the carts is located next to the restroom along the start of the promenade area close by the bow of the Battleship Iowa. There are 2 carts in the downtown harbor close to the Maritime Museum and the last cart (4 in all) is on the sidewalk area in front of the now demolished Blue Building (old Oyster Wharf). I tell you this so that Port Police is not surprised when seeing folks operating out of these carts. FYI – the BID is leasing these carts out on behalf of the Port. Please let me know if you have any comments or concerns……

Thanks,

Augie
